Hello Eric,

This data should be on the TCEQ FTP. Was Susan able to get you access?

We cannot find the zones and sample sites on the ftp. Can you make sure my account has access. Or send me the ftp directory URL?

Temple/Carol,

Are you all including the sample sites in the geodatabase you are uploading to the FTP site? If not, can you add them?

**Subject:** Sample  
Priority for TCEQ

Good evening  
Rick,  
As discussed,  
please see below  
for the list of  
sample priorities.  
Sample site #69  
from Dec 15 is the  
first priority. Once  
the Dec 16  
samples arrive,  
please prioritize  
the Zone 2 and  
Zone 3 lists  
(respectively)  
ahead of the  
remaining Dec 15

samples. Let's  
continue to  
coordinate  
verbally, as well,  
as there may be  
changes in the  
prioritization.  
Thank you,
